Mudebake

"I've been selling Studebaker Wagons and Buggies for over 30 years."

"I've sold them because my reputation as a dealer was at stake and from experience I have found that Studebaker means the best.

That tells the Story.

Farmers bought Studebaker wagons before the Civil war and they have been buying them ever since.

Because they had confidence in the name Studebaker and in the sturdy, dependable wagons and buggies they build.

And that confidence has been upheld. Studebaker wagons are built on honor and the Studebaker guarantee goes with every one.

There's a Studebaker for your needs—whether you live in city, town or country.

—And Studebaker harness also Studebaker vehicles.
